

THE COLLEGE OF ARCHITECTURE AND PLANNING:

ACE SUMMER CAMP

100% COST-FREE

CU DENVER CAP ACE SUMMER CAMP, IN PARTNERSHIP WITH THE ACE MENTOR PROGRAM

Join the College of Architecture and Planning, in partnership with the ACE Mentor Program, for a weeklong residential summer camp at the University of Colorado Denver. Faculty from CU Denver’s architecture program will lead an investigation in design, digital fabrication, and sustainability. Students will build from their own design and get to know other students from ACE Mentor programs in the West.

ENJOY VIBRANT DENVER, CO

Campers will have opportunities during the day and in the evening to explore the architecture and culture available in downtown Denver.

GET TO KNOW CU DENVER

Campers will stay at Nagel Hall at University of Denver. They will use the Design Fabrication Lab and studio spaces at the College of Architecture and Planning. Undergraduate Admissions will host a presentation about applying to CU Denver so students leave camp with an understanding of what it takes to become a CU Denver student.

ACE MENTOR PROGRAM
ARCHITECTURE • CONSTRUCTION • ENGINEERING
